

Advanced Certificate in Procurement and Supply Operations

Learn to Know,

Know to Grow

The Qualification - Modules

You must complete five modules

Procurement and Supply
Environments

Ethical Procurement and Supply

Contract Administration

Team Dynamics and Change

Socially Responsible Procurement

Target Audience

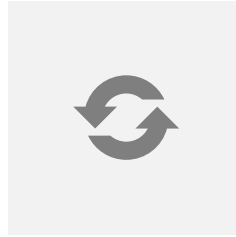

Dreamers

This qualification will prepare intermediate level learners looking to specialise in procurement and supply and to progress onto the CIPS Level 4 Diploma in Procurement and Supply.

What will I learn?

What will learn?

Learn how to apply factual, procedural and theoretical knowledge of procurement and supply. You will be able to complete tasks and address problems that are well-defined but may be complex and non-routine. You will understand what relevant information is required and how to interpret and review its effectiveness.
